Ordering your Official Class Ring is simple!
Follow these five easy steps when filling out the order form:

- ✓ *Step 1* Fill in all of the yellow highlighted area and choose your ring style on (*line 1*)
- ✓ *Step 2* Choose the metal quality and finish (*line 2*)
- ✓ *Step 3* Decide if you want your full name or your initials to be engraved inside the band of your ring. (*line 3*)
- ✓ *Step 4* Pick your stone color (Birthstone/school color) *line 5*
- ✓ *Step 5* Choose what you want on the side of your ring. This is called a "Prideside", shown on *line 8*. Choices are shown in the full color catalog; your school mascot will be automatically on the right side (if you leave this area blank), otherwise you can override it with another prideside. * *This area need not be used when ordering any La Petite designs.*
